

***Indole: An Inspiring Molecular Platform
in Asymmetric Catalysis***

Dr. Marco Bandini

University of Bologna (Italy)

Friday 7th October, 2011. ICIQ Auditorium, 12 p.m.

Education

1997: B.Sc. in Chemistry (cum laude), Department of Chemistry "G. Ciamician", Alma Mater Studiorum - University of Bologna, Italy. Advisor: Prof. Achille Umani-Ronchi, Co-advisor: Prof. Pier Giorgio Cozzi.

2000: Ph.D. in Chemistry: Alma Mater Studiorum - University of Bologna, Italy. Advisor: Prof. Achille Umani-Ronchi.

2001-2010: Assistant Professor of Chemistry: Department of Chemistry "G. Ciamician", Alma Mater Studiorum - University of Bologna, Italy.

2010: Habilitation for Associate Professor of Chemistry.

Professional career

2001: Visiting Researcher: Department of Chemistry, University of North Carolina at Chapel Hill, North Carolina, USA, (Prof. Michael R. Gagné, 6 months);

2004: Visiting Researcher: Department of Chemistry, Center of Clean Technology, University of York, UK, Dr. Duncan Macquarrie (selected for the Marco Polo Fellowship University of Bologna, 5 months);

2009: Visiting Scientist: College of Chemistry Central China Normal University, Wuhan (Prof. Wen-Jing Xiao);

2009: Visiting Scientist: Shanghai Institute of Organic Chemistry Shanghai (Prof. Shuli You).

Awards

1998: Recordatori spa (Milan) Fellow

2002: Co.Gi.C.O Junior Award, Italian Chemical Society

2004: Marco Polo Fellow, University of Bologna, Italy

2005: "G. Ciamician" Medal, Italian Chemical Society; JSP Fellowship of the "40th EUCHEM Conference of Stereochemistry ("Bürgenstock-Conference")

2009: Visiting Fellow, Central China Normal University, Chinese Academy of Science
