

***Catalysis with Electrophilic and  
Nucleophilic Silicon***

**Prof. Dr. Martin Oestreich**

**Technische Universität Berlin (Germany)**

**Friday 28th October, 2011. ICIQ Auditorium, 12 p.m.**

**Appointments and Education**

**2011 - today** Chair (Synthesis & Catalysis), Technische Universität Berlin, Berlin (Germany)  
**2010** Visiting Fellow at the Australian National University, Canberra (Australia)  
**2006 - 2011** Professor (Organic Chemistry), Westfälische Wilhelms-Universität, Münster (Germany)  
**2005 - 2006** Visiting Professor at Cardiff University, Cardiff (Wales)  
**2001 - 2005** Habilitation, Albert-Ludwigs-Universität Freiburg, Freiburg im Breisgau (Germany)  
**1999 - 2001** Postdoc, University of California at Irvine, Irvine (USA)  
**1996 - 1999** PhD, Westfälische Wilhelms-Universität Münster, Münster (Germany)  
Diploma, Philipps-Universität Marburg, Marburg an der Lahn (Germany)  
**1991 - 1996** Undergraduate Training: Heinrich-Heine-Universität Düsseldorf, Düsseldorf (Germany) (1991 - 1993), UMIST Manchester (England) (1994 - 1995), Philipps-Universität Marburg, Marburg an der Lahn (Germany) (1993 - 1996)

**Awards/Fellowships**

**2011** "Goldener Brendel" Prize for Outstanding Teaching  
**2006** ORCHEM-Award for Scientists (German Chemical Society)  
**2005** ADUC-Prize for Habilitands 2004  
**2004** Award from the Dr.-Otto-Röhm-Memorial Foundation  
**2002** Thieme Journal-Prize  
**2006 - 2008** Karl Winnacker-Stipend, Aventis Foundation  
**1999 - 2006** Emmy Noether-Award for Establishment of a Young Research Group  
**1997 - 1999** Kekulé-Stipend from the Fonds der Chemischen Industrie
