

*Iridium and Palladium Hydrides in  
(Enantioselective) Isomerizations*

**Prof. Clément Mazet**

**University of Geneva (Switzerland)**

**Friday 7th June, 2013. ICIQ Auditorium, 12 p.m.**

**Professional career**

**Jun. 2011 – present:** SNF Assistant Professor, University of Geneva, CH

**Nov. 2007 - May 2011:** Maître-Assistant (independent junior faculty position), University of Geneva, CH

**Jan. 2006 - Oct. 2007:** Postdoctoral fellow with Professor E. N. Jacobsen, Harvard University, USA

**Jan. 2003 - Dec. 2005:** Postdoctoral fellow with Professor A. Pfaltz, University of Basel, CH

**Nov. 1999 - Nov. 2002:** Graduate student with Professor L. H. Gade, University of Strasbourg, Fr

**Feb 1998 - Sept. 1999:** Undergraduate student with Professor J. A. Osborn, University of Strasbourg, Fr

**Awards Received**

Apr. 2013: Alfred Werner Prize from the Swiss Chemical Society

Nov. 2012: Tateshina Lectureship, Nagano, Japan

Nov. 2012: 1<sup>st</sup> Zasshikai Lectureship Award, University of Tokyo, Japan

Feb. 2011: Swiss National Foundation Professorship

Dec. 2010: F. Hoffman-LaRoche Young Investigator Grant for Chemistry Research (renewed in 2011, 2012 and 2013)

May 2010: JSPP Fellowship-Bürgenstock Conference, Brunnen, Switzerland

Jan. 2010: Thieme Chemistry Journals Award

Jan. 2006: Marie Curie Outgoing International Fellowship (OIFP-6)

**Research Interests**

Mechanistic and Synthetic Organic and Organometallic Chemistry with particular emphasis on Asymmetric Catalysis
